

The Holy Grail of Encryption: Air-Gapped Offline Encryption System that allows the user to encrypt data at rest, data in transit, and work on encrypted data without the need to open the encryption. The user can directly send online the encrypted data, receive encrypted data and store encrypted data in an unbreakable way.

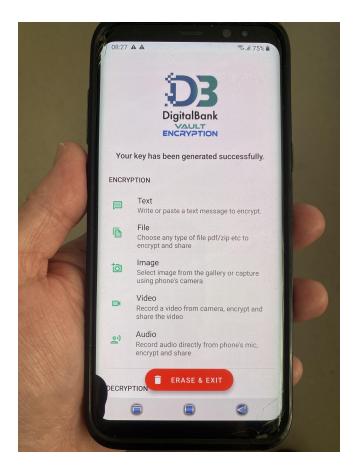

\$ 5000/ month per working station

WINDOWS Encryption System (Software solution) to be installed on Windows PC and Laptops, transforming them into air-gapped offline fully secure encryption platforms.

\$ 100 /month per license (minimum 12 months contract)
\$ 90 per license / month for 5 licenses (minimum 12 months contract)
\$ 80 per license/ month for 10 licenses (minimum 12 months contract)
\$ 70 per license / month for 15 licenses (minimum 12 months contract)
\$ 60 per license / month for 20 licenses (minimum 12 months contract)

For contracts above 20 Licenses, we will discuss prices, individually.

ANDROID Encryption System (Application solution) to be installed on Android Devices, transforming them into air-gapped offline fully secure encryption platforms.

\$ 5000 USD per license, one-lifetime fee.

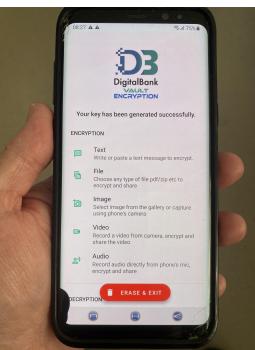

OR

\$ 150 /month per license (minimum 12 months contract)

- \$ 120 per license / month for 5 licenses (minimum 12 months contract)
- \$ 100 per license/ month for 10 licenses (minimum 12 months contract)
- \$ 80 per license / month for 15 licenses (minimum 12 months contract)
- \$ 70 per license / month for 20 licenses (minimum 12 months contract)

For contracts above 20 Licenses, we will discuss prices, individually.

CROSS-PLATFORM same encryption system working both on Windows and Android devices, interexchange of encrypted files between all devices

\$ 180 /month per license (minimum 12 months contract)

- \$ 150 per license / month for 5 licenses (minimum 12 months contract)
- \$ 120 per license/ month for 10 licenses (minimum 12 months contract)
- \$ 90 per license / month for 15 licenses (minimum 12 months contract)
- \$ 80 per license / month for 20 licenses (minimum 12 months contract)

For contracts above 20 Licenses, we will discuss prices, individually.
